G.C. Corrugated

Industrial Profile

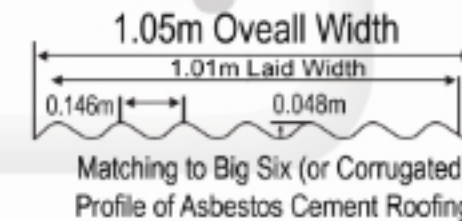

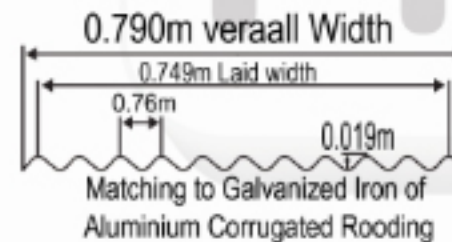

Gate Design

Air Ventilator

Air Bess

Srno.	Width
Porosity	Non porous
Water Absorption(in 24 hrs in 25 degree centigrade)	Negligible
Dimensional changes due to moisture content.	Negligible
Effect of chemicals	Resistant to most chemicals
Thermal conductivity w/m degree centigrade	0.22
Load deflection	Satisfies requirements of BS 4154/67
Heat distortion temp degree centigrade	75
Bolt shear strength kgs	50
Tensile strength kgs/mm square	7.5 to 9.0
Compression strength kgf/mm square	12
Transverse strength kgf/mm square	15.57
Shearing stress kgf/mm square	4.80

Env Friendly

Water Proof

Eng. Friendly

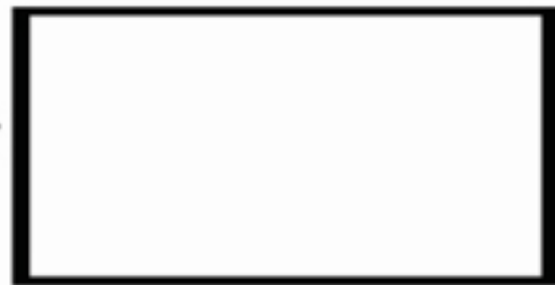

Industry Friendly

## Applicability of Products

Stadium | Railway stations  
Petrol Pumps | Sports Complex  
SEZ | Spa Centers | Portable Cabins  
Badminton Courts | Recreational Sports  
Pharmaceutical and Surgical Industry  
Automobile Industry | Warehouse | Malls  
Auto Components | Green House | Main gate

Authorised Dealer

Address: Near PNB Bank, Below Flyover,  
New Mankapur, Nagpur, Maharashtra, India-440030.
